General No. 737

In reply to no. 8647-29 of 110-95

SUBJECT.

Resubmitting for sanction the plans and estimates for construction of the new building in certain places in the District and stating that the cost of the estimates cannot be reduced under the reasons explained.

References—(to be entered only in the Dewan's Office).

These buildings are proposed to be constructed in accordance with the standard design for 4-Clap super for the purpose of the cost of each of them in excess of the estimated cost of a 4-Clap super building of the same design. Forward the 3 estimates to the Chief Engineer for his opinion with reference to the great difference above mentioned.

Sir,

Adverting to Government Proceedings

No: 8649 dated 27th Dec Ultimo, returning
L.F. 110-95

the plans and Estimates for constructing
Musaferkhanas in certain places in the
District and inquiring if the cost of these
buildings cannot be reduced to Rs 1000, I
have the honor to state that the rates
entered in the Estimates are lower than
those prevailing in the Public Works Dep-
artment in the District, except for wood work,
for which the same rate as is prevailing
the Public Works Department, is put down.

2. The cost cannot therefore be
reduced.

SIR,

With reference to Government
Proceedings No. 10722-3 of 29th March 1897,
L.F. 110-95
forwarding for opinion as regards great
difference in cost, plans and estimate
for constructing 4th Class Musafirkhanas
at certain places in the Hassan District,
I have the honor to inform you that the
estimates under reference appear to be
correct and are not excessive.

II. Confusion appears to have arisen
from certain buildings of this type having
been constructed in Holenarasipura District
by the Amildars at a cost of Rs 1000
each; but these buildings have been
reported to be of inferior materials
